The analogy of Sheep & Cattle makes
me doubt if I Smith hybrid (read)
1 dog supported with much
evidence & strong passion taken
in all cases - for equal numbers
must be used to make
an intermediate head & how
may latent sources & there
sources with character more
prominent (because so in
hybrids) than has pure
latent greyhound - more about
Bloodhound - occasional cup
produce effect. many like
adding variation in 4th & 5th
I believe in - as all hybrids are

Think over how many English Words
are in your garden & other
part of world & extend them!

How many can it still make
may type as now & another,
intermediate we must suppose as
